

High-quality

Professional

Community-driven

On-demand
kitchen
solutions
fueling the
future of
urban food.

Mission

Nimbus is a premium and flexible commercial kitchen solution, offering state-of-the-art licensed facilities, end-to-end operational support, and luxury communal working spaces to our members. We've taken care of all the kitchen logistics so you can focus on bringing home the bacon.

real estate owners and
developers with
underutilized urban
properties

consumers demanding
off-premise food
delivery and catering

**Our premium and flexible commercial kitchens
bring us together.**

off-premise food
businesses and delivery
platforms looking for
affordable and flexible
kitchen space
